ACADEMIC PROGRAMS AT JHA'S COACHING CLASSES

Structured Learning from 5th to 10th Standard

At **Jha's Coaching Classes**, academics are not handled year-to-year.

They are designed as a progressive learning journey, where each class prepares the student for the next — academically, mentally, and competitively

PROGRAM STRUCTURE OVERVIEW

Structured Learning from 5th to 10th Standard

Classes 7th to 10th Competitive Foundation Program

Objective:

To prepare students for school excellence + future competitive exams simultaneously.

Integrated Preparation For:

- School Curriculum (State / CBSE aligned)
- IIT-JEE Foundation
- NEET Foundation
- MHT-CET Foundation

Focus Areas:

- Advanced concept building
- Application-based learning
- Speed, accuracy & exam temperament
- Early exposure to competitive patterns

Outcome:

Students are academically ahead of school level and mentally ready for competitive challenges.

Classes 5th & 6th – Strong Concept Foundation

Objective:

To build clarity in basics, discipline in study habits, and confidence in learning.

Focus Areas:

- Core subject understanding
- Logical thinking & problem-solving
- Reading, writing & presentation skills
- Habit formation: consistency & discipline

Outcome:

Students develop a fear-free approach to studies and a strong base for higher classes.

Subject-Wise Academic Coverage

- Mathematics – Concept clarity, logical reasoning, step-by-step problem solving
- Science – Physics, Chemistry & Biology fundamentals with application focus
- Mental Ability – Analytical thinking & aptitude development
- Regular Practice & Revision – Reinforcement through testing

Why Parents Trust This Structure

- Smooth transition from school to competition
- No last-minute exam pressure
- Well-prepared base for 11th–12th (Science stream)
- Strong academic confidence by 10th standard

Right Foundation. Right Time. Right Direction.

IIT-JEE & MHT-CET FOUNDATION ADVANTAGE

Competitive Exams Don't Begin in 11th. They Begin with the Right Foundation.

Many students struggle in 11th-12th not because they lack ability, but because their concepts were never strengthened in school years.

At **Jha's Coaching Classes**, competitive preparation is introduced responsibly and progressively, ensuring students are ready without being overburdened.

Why Early Foundation Matters

Reduces pressure in 11th & 12th

- Builds comfort with competitive question patterns
- Strengthens analytical thinking early
- Creates confidence, not fear, towards exams

A strong foundation turns competition into confidence.

Our Foundation Program

7th-10th Std

Designed Specifically For:

IIT-JEE (Engineering Entrance) Foundation

NEET (Medical Entrance) Foundation

MHT-CET Foundation

Without Compromising School Performance.

HOW JHA'S CLASSES

Builds Competitive Readiness

Concept-First Teaching

School syllabus is taught deeply, then extended towards competitive application.

Gradual Exposure

No sudden pressure or unrealistic targets. Difficulty increases step-by-step.

Application-Based Practice

Students learn how to think, not just what to solve.

Exam Temperament Development

Time management, accuracy, and stress control are developed early.

Balanced & Responsible Preparation

We strongly believe:

Competitive success should be built with discipline and maturity — not pressure.

That's why our foundation program:

- Respects a child's age and learning pace
- Focuses on long-term success, not shortcuts
- Balances academics, confidence, and well-being

Because The Best Results Come From Early Clarity, Not Early Pressure.

TEACHING METHODOLOGY & EVALUATION SYSTEM

A System That Teaches, Tracks, and Transforms

At **Jha's Classes**, teaching is not random or teacher-dependent.

It follows a well-defined academic system designed to ensure consistent progress for every student.

OUR TEACHING METHODOLOGY

Concept

- Concepts are explained from fundamentals
- Students practice gradually increasing difficulty levels
- Real understanding is tested before moving ahead

Application

- 24x7 CCTV monitoring with instant WhatsApp alerts for homework, classwork, tests & attendance, ensuring discipline, safety, and parent confidence.

Developing Exam Confidence & Maturity

- Exam temperament building
- Time management habits
- Handling exam stress calmly
- Encouraging self-belief

Our Responsibility to Parents

- Honest academic feedback
- Focus on long-term improvement
- Ethical teaching practices
- Student well-being above numbers

Strong Discipline. Personal Mentorship. Responsible Growth

PARENT ASSURANCE, VALUES & ETHICAL COMMITMENT

When You Trust Us with Your Child, We Take It Personally

Choosing a coaching class is not just an academic decision.

For parents, it is a **matter of trust, responsibility, and the child's future.**

At **Jha's Coaching Classes**, we don't treat students as roll numbers or batches.

We treat them as **young minds entrusted to us by parents.**

OUR COMMITMENT TO PARENTS

Our Commitment to Parents

- Honest guidance - no false promises
- Age-appropriate teaching - no unhealthy pressure
- Focus on learning, not just marks
- Long-term academic vision, not short-term publicity

Ethical Teaching Practices

We Strongly Believe That:

- Results should come from **learning**, not fear
- Growth should be **steady**, not forced
- Competition should build **confidence**, not stress

That's Why We:

- Avoid unrealistic claims
- Avoid overloading students
- Avoid comparison-based pressure

Transparent & Responsible Communication

- Clear academic expectations
- Regular feedback when required
- Open and respectful parent interaction
- Student progress handled with sensitivity

**WE PROMISE
EFFORT
SINCERITY
& RESPONSIBILITY
NOT SHORTCUTS**

Values That Define Jha's Coaching Classes

- Discipline with care
- Excellence with ethics
- Guidance with empathy
- Education with responsibility

Your Child's Confidence, Clarity, And Well-being Will
Never Be Compromised For Numbers Or Marketing.

Because True Education Is Built On Trust, Not Pressure.
